Diane Anderson, Planning Commission Secretary

The Plan Commission's agenda includes a period for public comments. That period, which is not mandated by state law, is offered to permit orderly and civil discussion of Town public business and matters. During the remainder of the Plan Commission meeting, persons other than Commission members and Town officers are permitted to speak only if recognized by the Chair. Public comment may address any matter pertaining to Town, but must not be repetitive, involve personal attacks, profanity, or disruptive comments. The Chair may rule any person out of order and terminate their comment period. By adhering to these principles, we aim to ensure productive and fair discussions while respecting the rights of all to be heard. We appreciate active engagement and encourage participation in the governance of our wonderful Town of Vermont.
